Letter from the Chief

It is both an honor and a privilege to present our 2015 Annual Report. On behalf of everyone with the James City County Police Department, we appreciate all the support and assistance provided to us by our own citizens who deserve much of the credit for all the work that we do. We are thankful for all the work that was accomplished during 2015 and for having the opportunity to work in such a wonderful community. In addition to overall crime data and trends, this report contains details of the services provided by our officers and civilian staff in our community. Please take a moment to review the crime information and some of our efforts to maintain a high quality of life in the county. The law enforcement community has faced many challenges over the previous year but we are steadfast in our efforts to provide outstanding police services to visitors, residents and guests in James City County. People continue to move into our county for many reasons and maintaining a safe community is a priority for us as a department and the county as a whole. The last several pages of this report show some of the events and activities that we feel go a long way in improving police/community relations. We take great pride in establishing these relationships with all aspects of our community and continue to strive to make improvements in this area.

Photo by: Jim Goodridge

We continue to work diligently in solving violent crime and property crime in our community. Our partnership with the citizens of this community is an important reason for this and can be seen in the many crime prevention and educational programs that we provide. It is this citizen involvement that truly makes the largest difference in our community.

The dedication and efforts of the men and women of this department is evident in the work they perform and in the way we are viewed by members of our community. Through collaborative efforts, hard work, and a true desire to improve lives, we have earned the trust of the community we serve. I am honored to lead such a fine team. Their partnership with citizens enhances public safety and continues to make James City County a quality community. Please do not hesitate to contact me or anyone in our department if you have questions or if you or your group would like any of the services that we provide. We look forward to another prosperous and fulfilling year ahead for all who make James City County a wonderful place to live, work and play.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bradley J. Rinehimer'.

Bradley J. Rinehimer
Chief of Police

Department Mission Statement and Values

The mission of the James City County Police Department is to perform our duties and fulfill our responsibilities of enforcing the law, preserving the peace, and providing police services so that it improves the quality of life for all citizens within our jurisdiction.

James City County Values

MISSION:

We work in partnership with all citizens to achieve a quality community.

VALUES:

Integrity

Earning confidence and respect by aligning our values, words and actions

- Being respectful, honest, ethical and trustworthy
- Following through on commitments

Collaboration

Making better decisions by building partnerships and sharing knowledge and resources

- Involving diverse people and inviting different perspectives
- Communicating openly and effectively

Excellence

Providing outstanding customer service by striving to be the best in everything we do

- Doing the right things well
- Being responsive, flexible, creative and open to change
- Being a continuous learner

Stewardship

Improving our quality of life by safeguarding and enhancing the resources entrusted to us

- Learning from the past as we look forward
- Meeting the needs of the present without compromising the future
- Valuing the public and the resources they have entrusted to our care

Civility

Creating an atmosphere of respect and civility where an individual and the public are free to express their ideas and work to their full potential

- Making it critical component of effective communication and professional success
- Being respectful, even in disagreement

Executive Staff

Photo by: Jim Goodridge

Chief Bradley Rinehimer

Chief Rinehimer has been with James City County Police Department since 1995 and became chief in 2014. He served 7 years as the Division Commander for Community Services, Administrative Services, Colonial Community Corrections and Records.

Chief Rinehimer has worked in most areas of the department and has been in a number of positions, to include Patrol Officer, School Resource Officer, Community Services Officer, Assistant SWAT Team Commander and Community Services Lieutenant. He also served as Commander for both the Uniform and Investigations divisions.

During his police career, Chief Rinehimer successfully completed a Bachelor's degree program in Criminology from St. Leo University. He also completed a Master's degree program through the University of Cincinnati. Chief Rinehimer is a graduate of the 234th session of the FBI National Academy, the FBI's Law Enforcement Executive Development Seminar and the VACP/VCPF Professional Executive Leadership School at the University of Richmond.

Prior to joining James City County Police Department, Chief Rinehimer served four years in the United States Navy as a Submarine Nuclear Propulsion Plant Mechanical Operator.

Deputy Chief Stephen Rubino - Administrative Services

Deputy Chief Rubino has been with James City County Police Department since 1987 and currently serves as the Administrative Services Division Commander. He is the Department's Public Information Officer and Internal Affairs Coordinator.

Deputy Chief Rubino has also been in charge of the Uniform Division, Investigations Division and the Community and Administrative Services Division. He has served as a police officer, senior police officer and investigator. He has been a sergeant assigned to Uniform Patrol on Day Shift, a lieutenant on Evening Shift and major over the Investigations Division. He has been a member of the Department's SWAT Team and has served as a sniper, assistant commander and team commander. He holds many specialty instructor certifications to include ASP Baton, Chemical Weapons, Firearms, Homeland Defense and Less Lethal.

Photo by: Jim Goodridge

Deputy Chief Rubino has a Master's degree in Criminal Justice from Troy University, a Bachelor's degree in Criminology from St. Leo University and an Associate's degree in Police Science from Thomas Nelson Community College. He is a graduate of the 242nd session of the FBI National Academy, FBI Law Enforcement Executive Development Seminar, the Virginia Forensic Science Academy, and the Professional Executive Leadership School at the University of Richmond. He previously served in the United States Air Force as a Law Enforcement Specialist.

Executive Staff

Photo by: Jim Goodridge

Major Anthony Dallman - Support Services

Major Anthony G. “Tony” Dallman has worked for the James City County Police Department since 1995. He started his career in the Uniform Division and after 5 years as a patrol officer he was promoted to Sergeant and then Lieutenant in 2001, and was promoted to Major in April 2014. He spent a total of 8 years as a supervisor in the Uniform Division on all 3 patrol shifts, and 6 years as the Community Services Unit supervisor.

Major Dallman has served in a variety of roles in the Department including Patrol Officer, Radar Instructor, Taser Instructor, Field Training Officer, Internal Affairs Investigator, and Crisis Negotiator. He is a Certified Crime Prevention Specialist. In his current assignment he is the Support Services Division Commander.

Major Dallman has a bachelor’s degree in Physics from Mary Washington College and completed his Master’s Degree in Criminal Justice in 2013. He is a graduate of the Professional Executive Leadership School at the University of Richmond and the 257th session of the FBI National Academy.

Major Eric Peterson - Operations

Major Eric Peterson has been with the James City County Police Department since September of 1994. Major Peterson has served as a Patrol Officer, Narcotics Investigator, Virginia State Police Special Officer, General Assignment Investigator, Patrol Sergeant, Patrol Lieutenant, Community Service Unit Lieutenant, Investigations Lieutenant and as a Virginia State Police Drug Task Force Coordinator.

Major Peterson served 17 years on the Department’s SWAT Team. He has served as a Sniper/Observer, Assistant Team Commander and Team Commander. He is also a Defensive Tactics Instructor and he teaches interviewing and interrogation techniques. Major Peterson has a Bachelor’s degree in Criminal Justice from St. Leo University and he is currently working on his Master’s degree in Criminal Justice. He is a graduate of the Professional Executive Leadership School at the University of Richmond.

Major Peterson served in the United States Army and Army Reserves. He held a variety of leadership positions to include Platoon Sergeant, Drill Sergeant, First Sergeant and Acting Battalion Command Sergeant Major. He retired as a First Sergeant with 22 years of service. He is a member of the Williamsburg Men’s Club, and he actively volunteers and participates in community service events. Major Peterson has received numerous decorations and honors, to include the James City County’s “Police Officer of the Year” Award and a Virginia State Senate Commendation for Exemplary Service.

Officer of the Year

Master Police Officer Josh Drury

Over the previous year, Master Officer Josh Drury continued to provide exemplary service to the citizens of James City County, while maintaining a level of excellence that sets the example for others to follow. He is an active member of the SWAT team, is a firearms instructor and field training officer. He has been involved in several projects while maintaining a high degree of effectiveness on patrol. One example of Officer Drury's accomplishments was researching and compiling all of the information for the purchase of the new Glock handguns. All of his recommendations – caliber gun, light, and holster – were chosen and purchased. He also developed and administered (as lead instructor) the latest SWAT team tryout, with the organization and quality being praised by others. He developed a building-clearing lesson plan that has been implemented by SWAT and will soon be implemented department-wide. Although a new firearms instructor, he implemented and taught a new training course on worst case scenarios which is being taught during in-service this year.

Officer Drury's strong work ethic and attention to detail also serves him well on patrol. He consistently leads his shift in marked areas of productivity. He has great respect from his peers and serves on the Patrol Officer Advisory Committee. He has begun training to be an assistant shift supervisor and is an active SWAT team leader. He also has a strong commitment to the community. For example, a local church donated 14 individual meals for Thanksgiving that would have otherwise gone to waste. He drove around and gave the food to citizens he knew that could use a decent meal.

VIPS Volunteer of the Year 2015

Bill and Becky Truax

Both Bill and Becky have been Volunteer In Police Service (VIPS) with the police department since June 2013. They are graduates of the Citizens Police Academy and are extremely active at the annual Car Show, *Shred-A-Thon* and *Shop with A Cop*. Bill and Becky also devote many hours to the Community Services Unit events like Child ID and *National Night Out* along with other community based programs throughout the year. They make it a point to attend the VIPS monthly meetings and all the yearly cookouts and dinners that the volunteers have.

Bill & Becky have a great compassion for the work they do by giving back to the community they live in.

Internal Awards

IBR Group A & B Offenses

IBR Offenses 2015

Incident Based Reporting (IBR) captures all actual (excluding unfounded) offenses known to police, which is different from Uniform Crime Reporting (UCR) where only the most serious crimes are captured by using the Hierarchy Rule. This report may not be identical to the information in the Crimes in Virginia report because of the reporting guidelines set by the state. The below numbers are a count of offenses (not victims). By IBR standards, all known crimes are either Group A or Group B Offenses. Clearances are reported only in Group A Offenses. The next sections show all known crimes by offense group.

http://www.vsp.state.va.us/Crime_in_Virginia.shtm

<u>Total Group A IBR Offenses:</u>	3,192
<u>Total Group B IBR Offenses:</u>	561 *
<u>Total IBR Offenses:</u>	3,753

Training

The Department understands the importance of, and is therefore committed to, developing well-trained police officers and civilian staff. This ensures that the Department is able to provide to the community with officers that are able to respond appropriately and professionally to a wide range of requests for law enforcement services. Well-trained officers provide law enforcement services productively and effectively. A well-trained civilian staff is able to provide administrative services in professionally and informatively.

The James City County Police Department is a satellite training facility of the Hampton Roads Criminal Justice Training Academy. This designation allows the Department to provide a full range of training opportunities in-house, thereby drastically reducing the cost of having to send officers to out-of-the-area training programs. The Department provides annual in-service training to all officers, which includes topics such as constitutional policing, cultural diversity awareness, use of force procedures, defensive tactics, firearm training and qualification, and the technical use of TASER, tactical baton and oleoresin capsicum (OC) spray. All non-administrative officers are certified RADAR operators and breath alcohol test operators, both of which require regular recertification training.

Many Department officers receive specialized training in areas such as crisis intervention, adult learning, firearms instruction, defensive driving, tactical response, crime prevention, marine patrol, underwater search and recovery, crowd control, and digital forensics, just to name a few.

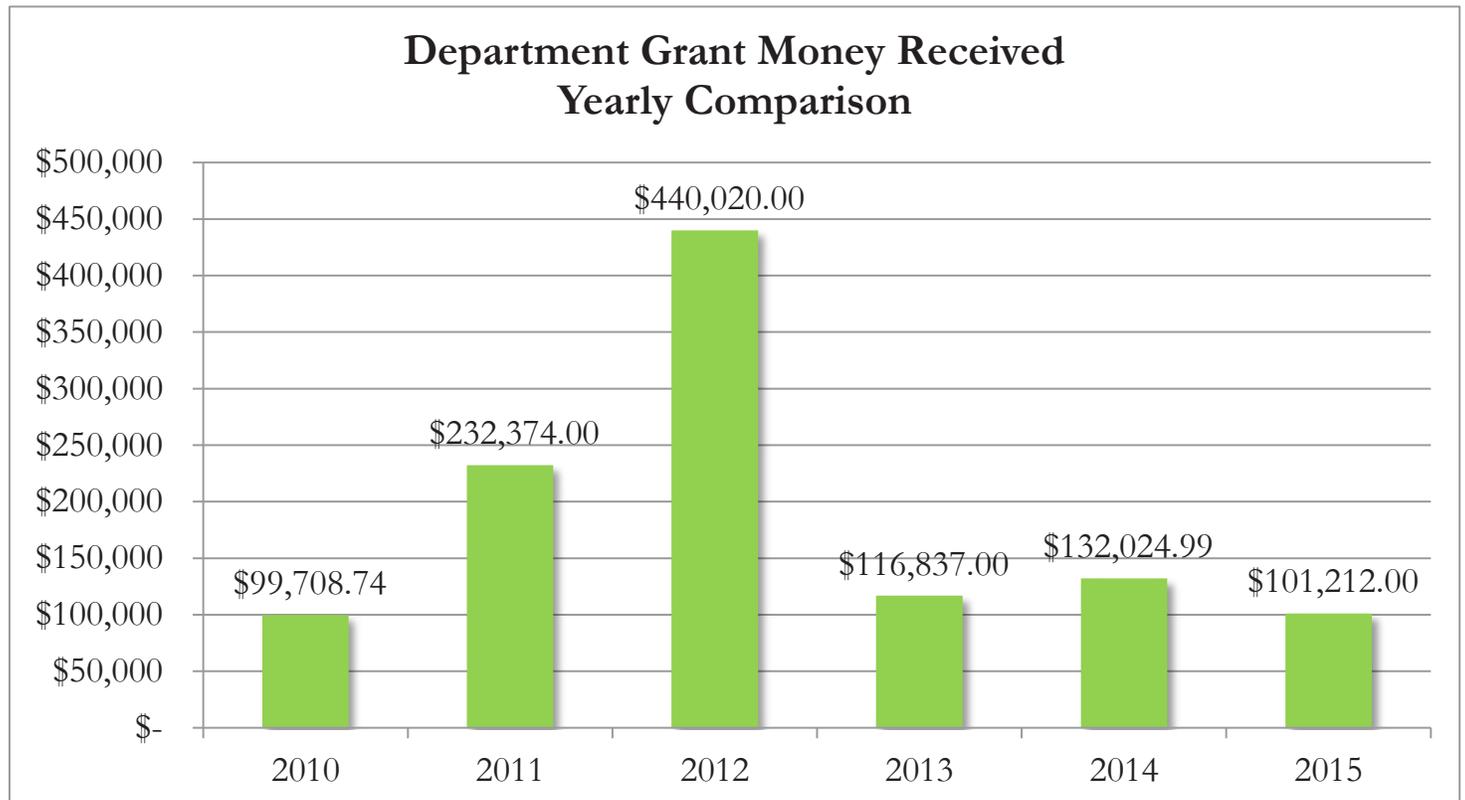

All Department recruits attend basic law enforcement training at the Hampton Roads Criminal Justice Training Academy in Newport News for 17 weeks. Upon successful completion of the academy, recruits return to the Department for several weeks of in-house, specialized training prior to beginning an 8 week on-the-job field training program. During Field Training, recruits ride with a Field Training Officer (FTO). The FTO is a veteran officer who has received specialized training in how to facilitate

adult learning in field of law enforcement. The recruit and the FTO work closely to develop and fine-tune the skills the recruit learned at the academy. Upon successful completion of Field Training, the recruit is assigned to a Patrol Shift and assumes his or her role as a James City County Police Officer.

Grants

Department of Motor Vehicle Alcohol Enforcement Grant (traffic enforcement overtime & Equipment)	\$ 26,716
Department of Motor Vehicle Speed Enforcement Grant (traffic enforcement overtime)	\$19,404

- Williamsburg Christmas Parade

Coffee with a Cop

Police officers and community members come together in an informal, neutral space, like a restaurant, to discuss community issues, build relationships and drink coffee. In over 80 cities in 24 states, *Coffee with a Cop* has done wonders for community trust and partnership building. One of the keys to *Coffee with a Cop* success is that it removes the physical barriers that routinely exist between police officers and community members, allowing for the relaxed, one-on-one interactions which are the necessary foundation of partnerships. Informal contact in a friendly atmosphere increases trust between police officers and the members of our community which is critical to public safety and problem solving.

JOIN YOUR NEIGHBORS AND LOCAL LAW ENFORCEMENT FOR COFFEE AND CONVERSATION!

No agenda or speeches, just a chance to ask questions, voice concerns, and get to know the officers in your neighborhood!

Throughout 2015 officers from the Community Services Unit arranged several *Coffee with a Cop* events at various business and communities. Upcoming events can be found on the James City County Police Department web page calendar: <http://www.jamescitycountyva.gov/149/Police>.

Ice Cream with a Cop

Ice Cream with a Cop throughout 2015 provided an opportunity for kids in the community to meet the Community Services Unit officers. In partnership with local businesses, the officers arranged several *Ice Cream with a Cop* events at various locations. Local businesses like Chick-fil-A, McDonald's and Wendy's sponsored free ice cream for kids who participated.

Upcoming events can be found on the James City County Police Department web page calendar: <http://www.jamescitycountyva.gov/149/Police>.

Get it Together

Every year, approximately 30 Hampton Roads High Schools participate in the Get It Together High School Seat Belt Challenge, a program led by Drive Safe Hampton Roads and supported by other traffic safety groups. This program has been successful in producing a 3.5% percent increase in student seat belt use. Each school put forth a significant effort to raise students' awareness of the importance of wearing seat belts every time they ride in a vehicle.

Participants use a variety of strategies to encourage their fellow students to "Buckle Up". Tactics includes pledge drives during lunch time, having crash dummies, Vince and Larry, attend sporting events and James City County Police Departments Click It for Chicken event with JCCPD Traffic Unit and Chick-fil-A. These efforts not only produce an overall increase in seat belt use, but some schools increased belt use as much as 26% from the start of the Challenge and others showed belt use as high as 99.1% percent at the end of the Challenge. Last year, 2014-2015, Lafayette High School won 1st Place for Highest Seat Belt Use. Lafayette competed against 21 schools in the Hampton Roads area with a seat belt use of 99.1% followed by York High School with 94.1%. For winning the challenge, Lafayette received a 1st place plaque, a certificate, a banner and a check for \$500.

The School Resource Officers assigned to their high schools partner with the Drivers Education Teacher to stress the importance of this program. It is our effort to promote safety not only in the school but in the community. It is our desire to make this program an annual event in partnership with Williamsburg James City County Public School Drivers Education program.

Click it for Chicken

On various dates in 2015, at Jamestown, Lafayette and Warhill high schools, James City County School Resource Officers & Traffic Unit Officers teamed up with Chick-fil-A restaurant for a campaign called Click It for Chicken. Students at local high schools were rewarded with free chicken sandwich coupons if they were "caught" wearing their seatbelt while driving.

Every 30 Minutes

The Every 30 Minutes program is an alcohol awareness event held annually at a local high school before prom and graduation. The program is based on the statistic that every 30 minutes, someone is killed in an alcohol-related vehicle crash. It is a joint effort between the James City County Police and Fire Departments, the Williamsburg-James City County Commonwealth Attorney's Office, the Williamsburg-James City County Public Schools, local hospitals, funeral homes, local businesses, students and their families. A mock crash with student actors is staged with a realistic response from Police, Fire and Medics to demonstrate the severity of driving under the influence. The impact created by this project is both educational and everlasting.

This year "Every 30 Minutes" was experienced at Lafayette high school on May 7-8. The conclusion was shocking for all involved. On the second day of the program, students attending the assembly heard the obituaries and memorials about their fellow students who were victims in the live mock alcohol-related vehicle crash. Guest speakers also share their experiences. The video of the events from the previous day (crash scene, rescue of victims, arrest of the offender, notification of death to parents, etc.) were viewed and many emotions were expressed.

It is our hope that this program touched the lives of all who attended and prevents the senseless death of one priceless life. The Police Department has received overwhelming support from all who are involved. It is our desire to make this project a continued annual event.

Project Lifesaver 6th Annual Car Show

May 9, 2015 - The Project Lifesaver Car Show was hosted by the police department with support from many community businesses with all proceeds going toward the Project Lifesaver program. This year there were 167 registered vehicles and over \$4,900 was raised. Additionally, 4,800 non-perishable food items were collected for the Salvation Army's Food Pantry.

Project Lifesaver was established in 1999 as an initiative for the 43rd Virginia Search and Rescue Company of the Chesapeake Sheriff's Office. Its mission is to use tracking technology to locate victims of Alzheimer's and Related Mental Disorders (ARMD), including autism, and others who are at high risk of wandering.

Project Lifesaver places personalized radio transmitters on those identified with these types of conditions. The transmitters assist local agencies in helping locate victims if they ever become lost.

Nationally, there have been 2,943 lives saved and credited to Project Lifesaver. The average locating time is 30 minutes. Currently the program is used by over 1,300 agencies in the USA, Canada and Australia.

In 2015, James City County had 32 clients. The Police Department visits each client on a monthly basis to change the batteries in the transmitters. This program is funded by fundraisers and donations and is a free service to residents living in a private home, as long as funds remain available.

2015 Project Lifesaver Car Show

C.O.P.s Camp

Community Outreach Program Camp is a weeklong day camp for youth between the ages of 10-13. C.O.P.s Camp focuses on engaging today's youth in their community through volunteering and fundraising for various local charities & organizations. This year during C.O.P.s Camp July 20-24 and August 17-21, the groups were split into teams, which were mentored by a School Resource Officer. The teams competed against each other for prizes and rewards based on activities, tasks, and fundraising efforts. They learned about topics such as effective communication, peer pressure, anger management, working within the community, and social media safety. Their knowledge was tested through completions in various physical and mental challenges.

The students took field trips and participated in activities such as zip lining at Go Ape, rock climbing at the WISC, bowling at AMF Williamsburg Lanes, and racing at Go Karts Plus. They also gave back to the community through collecting donations items for the *Erase the Need* program managed by Pamela Frazier. At the end of the camp, participants and their families participated in a graduation ceremony.

SPO Sean Gormus headed this year's camps with the assistance from the C.O.P.s Camp Coaches: MPO Andre' McLaughlin, MPO Monique Marchand, and MPO Jamie Lilley. The James City County Police Department School Resource Officers worked in partnership with James City County Parks & Recreation to help make this program such a success.

R.A.D. Defense for Women

Safety of the women in our community has always been a top priority. R.A.D. is Rape Aggression Defense training offered for free to females in the community.

In a partnership with James City County Parks and Recreation, the training is taught throughout the year by R.A.D. certified instructors. The training focuses on practical, simple techniques that can be readily applied by women when confronted by an attacker. Students receive instruction on such topics as risk reduction strategies, recognizing common indicators that may signal a potential attack, the pros and cons of defensive weaponry items and simple but effective self-defense techniques. RAD is currently being taught at over 400 college campuses nationwide. This free 12-hour course is typically broken down into 4 3-hour sessions over a 2-week period.

Upcoming classes can be found on the James City County Police Department web page calendar: <http://www.jamescitycountyva.gov/149/Police>.

Law Enforcement Torch Run

June 12 - Each year, law enforcement officers from across the state work to raise money and provide awareness for Special Olympics Virginia through the *Law Enforcement Torch Run for Special Olympics*. Members of the James City County Police Department have been participating in this event for many years.

The *Special Olympics* website states that “Each summer, law enforcement officials carry the Flame of Hope across the state culminating with the Torch Run Final Leg, and the lighting of the cauldron to officially open our Summer

Games in Richmond. The 1,900-mile, 8-day Torch Run involves more than 2,000 law enforcement officers and personnel representing more than 200 law enforcement agencies across Virginia.” James City County Police Department employees participate annually in the Virginia *Special Olympics Torch Run*. We receive the torch from Williamsburg City officers and firefighters on Richmond Road at the city/county line by the Quality Inn Suites (5351 Richmond Road) and run with the torch to Liberty

Baptist Church in New Kent. Once there, we pass the torch on to participants from New Kent Sheriff’s Office. For more information about the Law Enforcement Torch Run: <http://torchrunva.com/>.

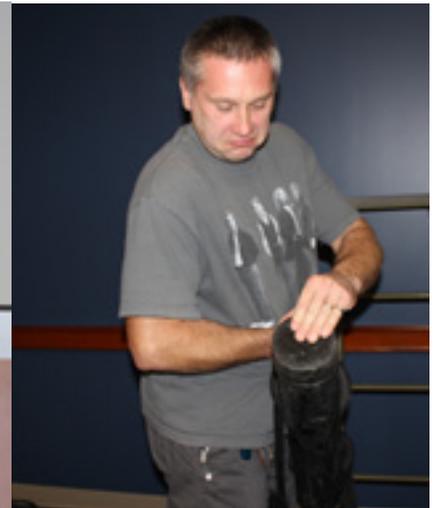

Citizens Police Academy

The Citizens Police Academy is a class offering county residents an opportunity to learn about a wide range of law enforcement topics.

The 40th and the 41st academies were held during 2015 at the Law Enforcement Center (LEC). The classes met once a week for 14 weeks. Lectures

focused on such topics as traffic and driving under the influence (DUI) enforcement, administration, communications, animal control, firearm safety, search and seizure, gang awareness, terrorism, SWAT, drug identification and vice offense investigation. Participants were also encouraged to take part in the ride-along program and a Saturday session at the police firing range.

Academy graduates were invited to become a member of the Volunteer in Police Services (VIPS) and to participate in the Citizens Forensic Academy.

Upcoming classes can be found on the James City County Police Department web page calendar: <http://www.jamescitycountyva.gov/149/Police>.

Eddie Eagle Gunsafe®

It is important to us to increase the safety of kids in the community. Eddie Eagle Gunsafe® Program is a gun accident prevention program that gives an officer the tools & resources to teach the children in a way that they would understand. It teaches kids to “stop, don’t touch, leave the area, and tell an adult” when they see a gun.

During 2015, a Community Services Officer provided the program to over 400 students in kindergarten through third grade at Rawls Byrd Elementary School.

National Night Out

August 4 - The first Tuesday in August *National Night Out*, which is a national community initiative where citizens and police partner up against crime. This is a great event to promote police-community partnerships, engage in crime prevention and neighborhood camaraderie. This year 31 James City County neighborhoods participated. McGruff® along with officers made their rounds and visited the neighborhoods.

Bike Donation Program

In 2015, the department provided bicycles to citizens in the community who were not be able to afford them on their own. The department accepted donated bikes, repaired them and worked with Social Services in locating citizens who needed them. Many of the bicycles were given to children who, if not for this program, would not be able to have a bike.

This year officers also collaborated to assist a citizen whose bike, which was his only mode of transportation, was stolen.

Drug Take Back

September 26 - James City County Police Department partnered with the Drug Enforcement Agency (DEA) in their annual Prescription Drug Take-Back initiative. The James City County Recreation Center was this year's collection site. This program gives citizens a safe way to dispose of old or unused prescription drugs. We collected 21 full bags weighing 468 pounds.

Trunk or Treat

The James City County Police Department worked in partnership with James City County Parks and Rec, Chick-fil-A and LaPetite by participating in 3 different *Trunk or Treat* events held the last week of October.

The trunk of the Extreme Five-0 Truck was decorated. Candy, coloring books, crayons, temporary tattoos and stickers were handed out to more than 700 kids.

Shred-A-Thon & Shop with a Cop

October 10 - This event was hosted by the Police Department with support from Chick-fil-A. It encourages citizens to shred papers containing personal information thereby making it more difficult for identity thieves to steal your identity. This year we shredded 11,000 pounds of paper. This event assists in fighting identity theft and it is a fundraiser for a program that helps kids. The fundraiser event directly supports the Shop with a Cop program, which provides Christmas gifts to kids from the community. We raised \$3,877 and were able to take 20 kids shopping at Target and provide them with a lunch at Chick-fil-A. Thank you to everyone who contributed.

December 12, 2015 - "Shop with a Cop"

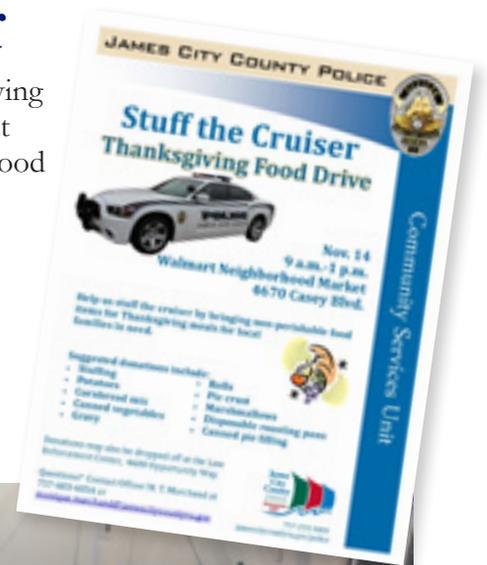

Stuff the Cruiser

The James City County Police Department sponsored *Stuff the Cruiser* Thanksgiving Food Drive event on November 14, 2015 from 9:00 A.M. to 1:00 P.M. The event was held at Walmart Neighborhood Market in Settlers Market. Non-perishable food items were donated by citizens to *Stuff the Cruiser*.

This year, the 3 high schools competed to collect the most food items for this event. Warhill High School collected the most items.

All items collected were distributed to five religious establishments throughout James City that provide Thanksgiving Dinners to those in need. **In total there were 2,680 items and \$277 donated. Thank you to all who donated.**

Be a Santa to a Senior

In December, officers participated in a national program called *Be a Santa to a Senior* which was in collaboration with Home Instead Senior Care. The purpose of the program was to provide gifts to seniors who might not otherwise receive a gift during the Holiday. Officers assisted in wrapping and delivering gifts that were donated by citizens through a community gift tree program.
