SUBJECT: June 25, 2009 Steering Committee Meeting

Please find the materials for the next Steering Committee meeting, scheduled for Thursday, June 25, 2009, starting at **3:00 p.m.** at: <http://www.jccplans.org/steering/schedule.php#materials>. This includes the agenda for the June 25th meeting; minutes from the May 4th, 11th, 14th, 18th, 21st, 28th and June 4th meetings; comments from the Stormwater Program Advisory Committee (SPAC), an update on Public Facilities; updated materials for the Transportation Technical Report, Goals, Strategies, and Actions (GSAs), and final text; memo and maps for the Land Use Map revisions; and the bound draft Comprehensive Plan, including the Implementation Guide. (Items may be posted at separate times.)

At this meeting, the Committee will consider SPAC's comments, the remaining issues for the Public Facilities and Transportation sections, the revisions to the Land Use Map. After that, the committee will discuss the Implementation Guide and Schedule. The last item will be consideration and recommendation of the draft Comprehensive Plan (including all previously discussed sections). Throughout this meeting, various staff members as well as the transportation consultant will be present to address any questions you may have.

This is our last scheduled Steering Committee meeting, and while it is a long agenda, we believe it is achievable. Your hard work through 35 meetings, more than 100 hours of deliberation, and countless hours in preparation has laid the groundwork for this meeting. We would like to thank all of you for the time, commitment, and service you have provided.

Please do not forget to use the "blog" to post questions or comments under the appropriate section anytime before or after the meeting. Feel free to call staff at 253-6685 if you have any questions or concerns. We look forward to seeing you then!
