These CONDITIONS AND INSTRUCTIONS TO BIDDERS shall be binding on all bidders or offerors and are incorporated by reference in all contracts resulting from any written Request for Quotes, Invitation to Bid or Request for Proposals issued, collectively the ("Request"), to which they are attached. Use of the term "bid" in these General Terms & Conditions and Instructions to Bidders is not intended to be restricted to an Invitation to Bid and shall also affect written Request for Quotes, Invitation to Bid or Request for Proposals. The Purchasing Office is responsible for the purchasing activity of James City County, a political subdivision of the Commonwealth of Virginia, and the James City Service Authority, herein referred to collectively as "James City County" or "County". Bidder/Offeror or their authorized representatives are expected to inform themselves fully as to the conditions, requirements, and specifications before submitting bids/proposals: failure to do so will be at the bidder's/offeror's own risk and except as provided by law, relief cannot be secured on the plea of error.

Subject to all Federal, State and local laws, policies, resolutions, regulations, rules, limitations and legislation including the County Purchasing Policy and the County Purchasing Manual, bids/proposals on all solicitations issued by the Purchasing Office will bind bidders/ offerors to applicable conditions and requirements herein set forth unless otherwise specified in the solicitation.

**Cooperative Purchasing**--James City County issues this solicitation in accordance with Section 2.2-4304 of the Virginia Public Procurement Act and Chapter 1, Section 5 of the James City County Purchasing Policy, and on behalf of the members of the Southeastern Virginia Governmental Purchasing Cooperative (SVGPC), as well as other public bodies, governmental jurisdictions and school divisions.

Bidders/Offerors are advised that all resultant contracts will be extended, with the authorization of the bidder/offeror, to other public bodies, governmental jurisdictions and school divisions as may be interested. Should other entities decide to use the final contract, the contractor shall deal directly with that jurisdiction or political subdivision concerning the placement of orders, issuance of the purchase orders, contractual disputes, invoicing and payments. James City County acts only as the "Contracting Agent" for these jurisdictions and political subdivisions. Failure to extend a contract to any jurisdiction will have no effect on consideration of your bid or offer.

It is the responsibility of the contractor to notify the public bodies, jurisdictions and political subdivisions of the availability of the contract.

Each participating public body, jurisdiction and political subdivisions has the option of executing a separate contract with the contractor. Such contracts may contain general terms and conditions unique to those jurisdictions and political subdivisions. If, when preparing such a contract, the general terms and conditions of a jurisdiction are unacceptable to the contractor, the contractor may withdraw its extension of the award to that jurisdiction.

James City County shall not be held liable for any costs or damages incurred by another public body or jurisdiction as a result of any award extended to that public body, jurisdiction or political subdivision by the contractor.

SVGPC members reserve the right to make awards to the lowest responsive and responsible offeror during the contract term. SVGPC members not explicitly named in the IFB are not obligated to participate, nor is the successful offeror obligated to contract with other SVGPC members.

Revised 8/11/2020

1. **AUTHORITY AND COOPERATIVE PURCHASING**-The County Purchasing Director has the sole responsibility and authority for negotiating, placing and when necessary modifying every solicitation, contract and purchase order issued by James City County. In the discharge of these responsibilities, the County Purchasing Director may be assisted by assigned buyers. Unless specifically delegated by the County Purchasing Director, no other County officer or employee is authorized to order supplies or services, enter into purchase negotiations or contracts, or in any way obligate the government of the County of James City for an indebtedness. Any purchase order or contract made which is contrary to these provisions and authorities shall be of no effect and void and the County shall not be bound thereby.
2. **COMPETITION INTENDED:** It is the County's intent that this solicitation permit competition. It shall be the Bidder's/Offeree's responsibility to advise the Purchasing Director in writing if any language, requirement, specification, etc., or any combination thereof, stifles competition or inadvertently restricts or limits the requirements stated in this solicitation to a single source. The Purchasing Director must receive such notification not later than five (5) business days after solicitation release date.

**CONDITIONS OF BIDDING**

3. **CLARIFICATION OF TERMS –**

- a. Questions. If any Bidder/Offeree has questions about the specifications or other solicitation documents, the prospective Bidder/Offeree should contact the buyer whose name appears on the face of the solicitation no later than five (5) business days after solicitation release date. Any revisions to the solicitation will be made only by addendum issued by the buyer. Notifications regarding specifications may not be considered if received more than five (5) business days of the release date of the solicitation.
- b. Exceptions:
  - i. Information Technology procurements. Exceptions to liability provisions must be stated by the offeror in writing at the beginning of negotiations.

4. **Compliance with Contractual Terms and Financial Responsibility:** Architectural or Engineering services. i. Offerors shall provide relevant financial data demonstrating the firm's capability to successfully perform over the life of the contract. ii. Provide a definitive statement of intent to comply with the contract terms and conditions as delineated in the RFP. If proposed terms and conditions are not acceptable as described, provide a statement that the firm intends to take exception to the contract terms and conditions. After offerors are ranked for negotiation the County may request firms to note and explain any exceptions. Failure to agree to terms required by law or County purchasing regulations may be grounds for disqualification of the proposal. iii. Acknowledge and describe any proposed deviations from the Scope of Services.

5. **USE OF COUNTY FORM AND TERMS AND CONDITIONS:** Failure to submit a solicitation on the official James City County form provided for that purpose or unauthorized modification of or additions to any portion of the solicitation documents may be a cause for rejection of the bid/proposal if the price, quality, quantity, delivery, necessary assurances, performance of the contract and other factors deemed important to the solicitation will be affected. James City County reserves the right to decide, on a case-by-case basis, in its sole discretion, whether to reject any bid or proposal which has been modified. The County shall not be responsible for any errors or omissions of the bidder/proposer. The solicitation shall be signed by a representative authorized to legally bind the firm. By signing the solicitation, the bidder/offeree agrees to the terms and conditions of the solicitation and certifies that they have inspected the job site(s) and are aware of the conditions under which the work must be accomplished. Claims, as a result of failure to inspect the job site, shall not be considered by the County.

6. **LATE BIDS/PROPOSALS & MODIFICATION OF BIDS/PROPOSALS:**

Any bid/proposal/modification received at the office designated in the solicitation after the exact time specified for receipt of the bid/proposal/modification is considered a late bid/proposal/ modification.

James City County is not responsible for delays in the delivery of the mail by the U.S. Postal Service, private carriers or the inter-office mail system. It is the sole responsibility of the Bidder/Offeree to ensure their bid/proposal reaches the Purchasing Office by the designated date and hour.

- a. The official time used in the receipt of bids/ proposals is that time stamped by the automatic time stamp machine in the Purchasing Office. Date/time stamps marked after the designated time of receipt will be rejected.
- b. Late bids/proposals/modifications will be returned to the Bidder/Offeree UNOPENED, if solicitation number, acceptance date and Bidder/Offeree's return address is shown on the container.
- c. If the County closes its offices due to inclement weather scheduled bid openings or receipt of proposals will be extended to the next business day, same time.
- d. Vendors may modify their bids prior to the date and time specified for the bid opening. Facsimile modification of bids shall not be accepted unless the solicitation allowed such submission.

7. **WITHDRAWAL OF BIDS/PROPOSALS:**

A bidder/offeree for a contract other than for public construction may request withdrawal of his or her bid/proposal under the following circumstances:

- a. Bids/Proposals may be withdrawn on written request from the Bidder/offeree received at the address shown in the solicitation prior to the time of acceptance.
- b. Requests for withdrawal of bids/proposals after opening of such bids/proposals but prior to award shall be transmitted to the County Purchasing Director, in writing, accompanied by full documentation supporting the request. If the request is based on a claim of error, documentation must show the basis of the error. Such documentation may take the form of supplier quotations, vendor work sheets, etc. If bid bonds were tendered with the bid, the County may exercise its right of collection.
- c. Bids/proposals shall not be withdrawn after award of a contract or issuance of a purchase order. No plea or claim of mistake in a solicitation or resulting contract or purchase order shall be available as a defense in any legal proceeding brought upon a contract or purchase order awarded to a bidder/offeree as a result of the breach or nonperformance of such contract or purchase order.

No Bid/Proposal may be withdrawn under this paragraph when the result would be the awarding of the contract on another Bid/Proposal of the same bidder/offeree or of another bidder/offeree in which the ownership of the withdrawing bidder/offeree is more than five percent. In the case of Invitation for Bids, if a bid is withdrawn under the authority of this paragraph, the lowest remaining bid shall be deemed to be the low bid. No bidder/offeree who is permitted to withdraw a bid/proposal shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid/proposal was submitted.

8. **CANCELLATION OF BIDS/PROPOSALS**

If James City County intends to issue another Solicitation within a reasonable time after cancellation of the bid/proposal for the same materials, services or construction, any responses received under the canceled solicitation shall be retained in the Procurement file,

and James City County shall withhold responses from public inspection, if the Purchasing Director makes a Written Determination that such action is advantageous to James City County. After Award of a Contract under a subsequent solicitation, responses submitted in response to the canceled solicitation shall be open for public inspection.

9. **ERRORS IN BIDS/PROPOSALS** – When an error is made in extending total prices, the unit bid price will govern. Erasures in bids/proposals must be initiated by the bidder/offeror. Carelessness in quoting prices, or in preparation of bid/proposal otherwise, will not relieve the Bidder/Offeror of his responsibilities to provide the good or service. Bidders/Offerors are cautioned to recheck their bids/proposals for possible errors. Errors discovered after public opening cannot be corrected and the bidder will be required to perform if his or her bid is accepted.
10. **IDENTIFICATION OF BID/PROPOSAL ENVELOPE:** The signed bid/proposal and requested copies should be returned in a separate envelope or package, sealed and identified with the following information:

**ADDRESSED AS INDICATED ON PAGE 1**  
**IFB/RFP NUMBER**  
**TITLE**  
**BID/PROPOSAL DUE DATE AND TIME**  
**VENDOR NAME AND COMPLETE MAILING ADDRESS**  
**(RETURN ADDRESS)**

If a bid/proposal is not addressed with the information as shown above, the Bidder/Offeror takes the risk that the envelope may be inadvertently opened and the information compromised, which may cause the bid/proposal to be disqualified. Bids/Proposals may be hand delivered to the designated location in the office issuing the solicitation. No other correspondence or other proposals should be placed in the envelope.

11. **ACCEPTANCE OF BIDS/PROPOSALS:** Unless otherwise specified, all formal bids/proposals submitted shall be valid for a minimum period of ninety (90) calendar days following the date established for acceptance. At the end of the ninety (90) calendar days the bid/proposal may be withdrawn at the written request of the Bidder/Offeror. If the proposal is not withdrawn at that time it remains in effect until an award is made or the solicitation is canceled.
12. **PRICING:**
- a. Bidder warrants by virtue of bidding that prices, terms, and conditions quoted in his bid will be firm for acceptance for a period of ninety (90) days from the date of bid opening unless otherwise stated by the County or Bidder.
  - b. Prices should be stated in units of quantity as specified in the bid form.
  - c. Life cycle cost analysis may be considered when determining the lowest responsive and responsible bid. This analysis may consider, in addition to purchase price, any proposed upward or downward escalator clauses proposed for the initial contract term and any potential renewal terms; operating and related costs over the life of the item including maintenance, down time, energy costs, salvage value, etc.
  - d. Bid prices shall be for complete installation ready for the County's use and shall include all applicable freight and installation charges; extra charges will not be allowed.
  - e. When an annual contract is not requested by the County, and the bid is for products or services to be delivered on a one- time only or staggered basis, only firm pricing shall be given consideration. General terms such as "price in effect at time of delivery" shall not be considered for award.
13. **CONDITIONAL BIDS:** Conditional bids are subject to rejection in whole or in part if the price, quality, quantity, delivery, necessary

assurances, performance of the contract and other factors deemed important to the solicitation will be affected.

14. **OPENING:** At the time fixed for the opening of responses to a bid, all bids will be opened and the names of the bidders and the amount bid shall be read aloud and made readily available to the public.

If a public opening of a Request for Proposals is held, only the names of the offerors will be read publicly.

15. **RESPONSE TO SOLICITATIONS:** In the event a vendor cannot submit a bid on a solicitation, the vendor is requested to return the solicitation cover sheet with an explanation as to why the vendor is unable to bid on these requirements. Because of the large number of firms listed on the County's Bidders List, it may be necessary to delete from this list the names of those persons, firms or corporations who fail to respond after having been invited to bid for three (3) successive solicitations. Such deletion will be made only after formal notification of the intent to remove the firm from the County's Bidder's List.
16. **BIDDER INTERESTED IN MORE THAN ONE BID:** If more than one bid is offered by any one party, either directly or by or in the name of his or her clerk, partner, or other persons, all such bids may be rejected. A party who has quoted prices on work, materials, or supplies to a bidder is not thereby disqualified from quoting prices to other bidders or firms submitting a bid directly for the work, materials or supplies.
17. **TAX EXEMPTION:** The County is exempt from the payment of any federal excise or any Virginia sales tax. The price bid must be net, exclusive of taxes. Tax exemption certificates will be furnished if requested by the Bidder/Offeror.
18. **DEBARMENT/ENJOINMENT STATUS:** By submitting their bids/proposals, Bidders/Offerors certify that they are not currently debarred or enjoined by James City County, the Commonwealth of Virginia, the Federal Government, any local government or government agency/entity/ authority from submitting bids or proposals on contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred or enjoined.
19. **ETHICS IN PUBLIC CONTRACTING:** The provisions contained in Sections 2.2-4367 through 2.2-4377, Code of Virginia, as amended, shall be applicable to all contracts solicited or entered into by James City County. By submitting their bids/proposals, all Bidders/Offerors certify that their bids/proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other Bidder, Offeror, supplier, manufacturer or subcontractor in connection with their bid/proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.
- The Bidder/Offeror certifies that to the best of his knowledge, no employee of the County, nor any member thereof, nor any public agency or official impacted by the solicitation or resulting contract has any pecuniary interest in the business of the Bidder/Offeror, and that no person associated with the Bidder/Offeror has any interest that would conflict in any manner with the performance of the contract resulting from this solicitation.
20. **VENDOR REWARDS/GIFT PROGRAMS:** It is the policy of the County not to participate in any rewards programs offered by vendors and not to accept any gifts or gift cards, or other rewards from vendors for purchases made by the County. If you customarily provide, or if you plan to provide, rewards programs, gifts or gift cards, or other rewards to your customers for purchases made by such customers, you must identify this fact in your bid and demonstrate in the bid how you have applied the value of such rewards to a reduction in the price of the goods and/or services being offered to the County.

21. **PERFORMANCE BOND:** When requested in the bid, the County shall require the successful bidder to furnish a performance bond and labor and material payment bond with surety satisfactory to the County Attorney in the amount of the contract price at a time of or prior to execution of the contract.
22. **NO CONTACT POLICY:** No Bidder/Offeror shall initiate or otherwise have contact related to the solicitation with any County employee, other than the Purchasing Office, after the date and time established for receipt of bids/proposals. Any contact initiated by a Bidder/Offeror with any County representative, other than the Purchasing Office, concerning this solicitation is prohibited and may cause the disqualification of the Bidder/Offeror from this procurement process.
23. **LICENSES, PERMITS, AND FEES:** All bids submitted shall have included a list of any business and professional licenses, permits, or fees required by James City County or the Commonwealth of Virginia.
24. **QUALIFICATIONS OF BIDDERS AND SUBCONTRACTORS:** The apparent low Bidder shall submit to the Owner a list of all Subcontractors who will be performing work on the project. An experience statement with shall accompany such list pertinent information as to similar projects and other evidence of experience and qualification for each such Subcontractor, person and organization and documented work history of the subcontractor with the Bidder. If the Owner, after due investigation, has reasonable objection to any proposed Subcontractor, other person or organization, the Owner may, before giving the Notice of Award, request the apparent low Bidder to submit an acceptable substitute without an increase in Bid price. If the apparent low Bidder declines to make any such substitution, the contract shall not be awarded to such Bidder, but his declining to make any such substitution will not constitute grounds for sacrificing his Bid Security. For any Subcontractors, other person or organization so listed and to whom Owner does not make written objection prior to the giving of the Notice of Award, it will be deemed the Owner has no objection.

#### SPECIFICATIONS

25. **BRAND NAME OR EQUAL ITEMS:** Unless otherwise provided in the solicitation, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the County in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The Bidder is responsible to clearly and specifically indicate the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable James City County to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified. Normally in competitive sealed bidding, only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data to enable James City County to determine if the product offered meets the requirements of the solicitation may result the bid being declared non-responsive. Unless the Bidder clearly indicates in its bid/proposal that the product offered is "equal" product, such bid/proposal will be considered to offer the brand name product referenced in the solicitation.
26. **FORMAL SPECIFICATIONS:** When a solicitation contains a specification which states no substitutes, no deviation therefrom will be permitted and the bidder will be required to furnish articles in conformity with that specification.
27. **OMISSIONS & DISCREPANCIES:** Any items or parts of any equipment listed in this solicitation which are not fully described or are omitted from such specification, and which are clearly necessary for the completion of such equipment and its

appurtenances, shall be considered a part of such equipment although not directly specified or called for in the specifications.

The Bidder/Offeror shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission, but shall fully complete every part as the true intent and meaning of the specifications and drawings. Whenever the mention is made of any articles, material or workmanship to be in accordance with laws, ordinances, building codes, underwriter's codes, A.S.T.M. regulations or similar expressions, the requirements of these laws, ordinances., etc., shall be construed as to the minimum requirements of these specifications.

28. **EQUIPMENT STANDARDS.** Any equipment delivered shall be standard new equipment, latest model, the best quality, and the highest grade work, except as otherwise specifically stated in bid. Any part of nominal appurtenances which are usually provided in the manufacturer's stock model shall be furnished.
29. **ANNUAL CONTRACT USAGE REQUIREMENTS:** Whenever a bid is sought seeking a source of supply for an annual contract for products or services, the quantities or usage shown are estimates only. No guarantee or warranty is given or implied by James City County as to the total amount that may not be purchased from any resulting contracts. These quantities are for Bidder's information only and will be used for tabulation and presentation of bid.

#### AWARD

30. **AWARD OR REJECTION OF BIDS:** The Purchasing Director shall award the contract to the lowest responsive and responsible bidder complying with all provisions of the IFB, provided the bid price is reasonable and it is in the best interest of the County to accept it. Awards made in response to a RFP will be made to the highest qualified offeror whose proposal is determined, in writing, to be the most advantageous to the County taking into consideration the evaluation factors set forth in the RFP. The Purchasing Director reserves the right to award a contract by individual items, in the aggregate, or in combination thereof, or to reject any or all bids/proposals and to waive any informality in bids/proposals received whenever such rejection or waiver is in the best interest of the County. Award may be made to as many bidders/offerors as deemed necessary to fulfill the anticipated requirements of James City County. The Purchasing Director reserves the right to negotiate with the lowest responsive, responsible bidder should bids exceed available funds. The Purchasing Director shall reject the bid if the bidder is deemed to be a non-responsive or non-responsive bidder.
31. **PUBLIC INSPECTION OF CERTAIN RECORDS:**  
Shall be per the Virginia Public Procurement Act (VPPA) 2.2-4342
32. **QUALIFICATIONS OF BIDDERS OR OFFERORS:** James City County may make such reasonable investigations as deemed proper and necessary to determine the ability of the Bidder/Offeror to perform the work/furnish the item(s) and the Bidder/Offeror shall furnish to James City County all such information and data for this purpose as may be requested. James City County reserves the right to inspect Bidder's/Offeror's physical facilities prior to award to satisfy questions regarding the Bidder's/Offeror's capabilities. James City County further reserves the right to reject any bid or proposal if the evidence submitted by or investigations of, such Bidder/Offeror fails to satisfy James City County that such Bidder/Offeror is properly qualified to carry out the obligations of the contract and to complete the work/furnish the item(s) contemplated therein.
33. **TIE BIDS:** In the case of a tie bid, the County may give preference to goods, services and construction produced in the County or provided by persons, firms or corporations having principal places of business in the County. If such choice is not available, preference shall then be given to goods and services produced in the Commonwealth pursuant to Code of Virginia § 2.2-4324. If no County or Commonwealth choice is available, the tie shall be decided by lot.

34. **FACTORS OTHER THAN PRICE IN AWARD DECISION:** The following factors, in addition to price (as they apply), shall be a consideration in the award decision:

  - j. Product or parts inventory capability as it relates to a particular bid; and
  - k. Results of product testing.
