Career Advancement Opportunities & Nature of Work

The Police Department has a Career Ladder Advancement Program for Police Officers. All career ladder positions have performance, service, core training, and specialized training requirements. Some training requires continued recertification to maintain career ladder status and pay. Salaries and career ladder advancements are subject to continued approval and may change.

**Police Officer I [Recruit or Certified] – ($54,810 or higher DOQ)** This is an entry-level enforcement and protective service position. Work involves maintaining public peace, protect life, enforce laws, and conduct limited investigations.

**Police Officer II – ($57,002 or higher DOQ; range max $81,807)** A person in this position is expected to perform law enforcement and protective service work to maintain public peace, protect life, enforce laws and conduct limited investigations. Requires two years of service as a Police Officer I with James City County or two years of equivalent experience as determined by department, certification as Intoxilyzer and Radar operators, maintain Department training requirements as it relates to ASP/Tactical baton, meet several department personnel requirements and have 40 hours of specialized training acceptable to department.

**Police Officer III (SPO) – ($59,282/min – $87,721/range max)** A person in this position is expected to perform specialized and involved tasks, administrative duties and/or aid in the investigation of complex incidents or criminal acts. Must meet requirements of Police Officer II, complete 40 additional hours of specialized training acceptable to department; have a minimum of three years’ experience as a sworn officer with James City County with one year of service as Police Officer II from most recent hire date; or two years of equivalent experience as determined by department + one year of service as Police Officer II with James City County Police Department from most recent hire date.

**Police Officer IV (MPO) – ($61,654/min – $94,080/range max)** A person in this position is expected to perform specialized and involved tasks, administrative duties and/or aid in the investigation of complex incidents or criminal acts. Requires successful completion of all certifications required of a Police Officer III; an associate degree or 60 earned semester hours from an accredited college or university; complete 80 additional hours of specialized training acceptable to department (160 hours total); successful completion of a written examination. Must have at least five years’ experience with James City County with two years’ experience as a Police Officer III from most recent hire date; or, three years of equivalent experience as determined by department + two years of service as Police Officer III with James City County Police Department from most recent hire date.
